

RURAL HORIZONS 2.0

New lands to discover

Cooperation project
proposal

WHO ARE WE?

GAL Risorsa Lomellina is a Local Action Group (LAG) dedicated to promoting sustainable development and enhancing the quality of life in the Lomellina region through strategic initiatives and funding opportunities.

Visit our website at <https://www.galrisorsalomellina.it/>

WHERE?

Lomellina is a region located in the northwest of **Italy**, within the province of Pavia in Lombardy. It is bordered by the rivers Ticino, Po and Sesia, contributing to its rich agricultural landscape. The region is approximately one hour away from Milan.

Lomellina is renowned for its lush, fertile plains, which are ideal for rice cultivation. The region is characterized by its scenic countryside, dotted with villages, historical landmarks and extensive rice paddies.

The natural beauty and peacefulness of Lomellina makes it the ideal place for people who want to discover a land far from the hectic city life.

CONTEXT

Cities and rural areas express
complementary needs

METROPOLISES NEEDS

- Escape from urban chaos
- Indulge in leisure and relaxation
- Experience the nearby territory
- Immerse oneself in beauty and nature
- Rediscover history, memory, culture
- Reclaim authentic values and traditions

RURAL TERRITORIES NEEDS

- Boost local economy
- Enhance production
- Increase tourist flow
- Strengthen services
- Transmit values and traditions

PROJECT OBJECTIVES

- Recover
- Stitch
- Strengthen

The relationship between the metropolis and the surrounding territories

WHO WE ARE LOOKING FOR

We are seeking other **Local Action Groups** located in regions within approximately one hour's travel from major European metropolitan areas, that want to reconnect or strengthen ties with these major metropolises with the aim of attracting more visitors, more frequently.

HOW?

Through a two-year cooperation project tailored to our regional needs, we will share previous best practices and experiment with new ones.

TIMELINE

June-September 2024:
partners reserach

October-December 2024:
project designing

Spring 2025:
project beginning
